HOW IS YOUR COMPLEXION?

A woman should grow more beautiful as she grows older and she will with due regard to bath, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets corrects these disorders.

TO THE SLACKERS.

You say he can't stand the army the life is too hard for him; Do you think he is any better than some other mother's Sam or Jim? You raised him up like he doesn't smoke nor chew, nor drink is your brag, If all the rest were like him what would become of our Flag? You say let the roughnecks do the fighting, They are used to the beans and stew, I am glad I am classed with the roughnecks, Who would fight for the Red, White and Blue. You say his girl couldn't stand it to send him off with the rest. Don't you think she'd be glad he'd enlisted. When she feels the Han's hot breath on her breast? Think of the women of Belgium, Of the cruelties they had to bear; Do you want the same thing to happen To your innocent daughter so fair? You can thank God the Stars in Old Glory. Are not blurred with that kind of stain,

Because there are ten million Roughnecks, Who have red blood in their veins.

They go to drill in bad weather. Come in with a grin on his face,

While your darling sits in the parlor,

And lets another man fight in his place.

Maybe we do smoke and gamble, But we fight as our fore fathers did,

So go warm the milk for his bottle, Thank God we don't need your kid.

CLAUDE FREDERICK.
